**Can Architecture
Make You Happy?**

AT HOME IN THE MODERN WORLD

Humans Were Here: Building in L.A. / 12 Sept–11 Nov / CCA Wattis Institute for Contemporary Arts / San Francisco, CA / Tinsel Town may be the land of Hollywood fluff, but there's nothing vacuous about its architecture scene. This exhibit highlights some of L.A.'s finest, like Taalman Koch Architecture, Alexis Rochas, and Fritz Haeg Studio (below left and right). www.wattis.org
